## COMMENTARY

---

In the last years, the percentage of divorces each day go on increasing, what is more sad is that despite having so much literature and programs that talk about how to improve marriage relationships, there also are marriage counselors, as well as Pastors that are willing to help, them, besides counting with the Holy Scriptures, prayer to communicate with God through our Lord Jesus Christ with the direction of the Holy Spirit, with all that, even, there are Christians that have taken the decision of separating; after all this, where do the words lie that our Messiah said in Matthew 19:6.

Therefore, do not dismay and let us restore marriages, just as God will restore the kingdom of Israel (Hosea 3:16, 19-23).
